Hello, Friend!

Enter your personal details and start journey with us

SIGN UP

This is for Sign in and Sign Up.

2. Click on Sign Up for registration.

Welcome Back!

To keep connected with us please login with your personal info

SIGN IN

Create Account

User Name

Email

Password

Phone Number

Age

Address

City

Postcode

SIGN UP

Enter the required details.

3. Require fields:

a. All fields are mandatory: Cannot submit without filling all details.

b. Age must be above 18:

The screenshot shows a web application interface. On the left, a red sidebar contains the text "Welcome Back!" and "To keep connected with us please login with your personal info" with a "SIGN IN" button. On the right, a white "Create Account" form is displayed. The form fields are: "First" (text), "firstuser@gmail.com" (email), "****" (password), "07405089089" (phone number), "10" (age), "13, Rope Terrace" (address), "London" (city), and "XX-XXX" (zip code). A red "SIGN UP" button is at the bottom. A dark grey toast message at the top center reads "This page says: Age must be above 18." with an "OK" button.

c. Phone number: Validation using Google Libphonenumber implementation.

The screenshot shows the same web application interface as above. The "Create Account" form fields are: "First" (text), "firstuser@gmail.com" (email), "****" (password), "12345692702" (phone number), "25" (age), "13, Rope Terrace" (address), "London" (city), and "XX-XXX" (zip code). A red "SIGN UP" button is at the bottom. A dark grey toast message at the top center reads "This page says: Invalid Mobile Number." with an "OK" button.

d. Postcode must be in XX-XXX format.

The screenshot shows a web application interface. On the left, a red vertical banner contains the text "Welcome Back!" and "To keep connected with us please login with your personal info" with a "SIGN IN" button. On the right, a white "Create Account" form is visible. The form fields are: "First" (text input), "firstuser@gmail.com" (email input), a password field (masked with dots), a phone number field (containing "07405089089"), a "25" field, an address field (containing "13, Rope Terrace"), a city field (containing "London"), and a postcode field (containing "ABC123"). A "SIGN UP" button is at the bottom of the form. A dark grey validation error message box is overlaid on the form, stating "This page says invalid postcode. It must be in XX-XXX" with an "OK" button.

Click on **SIGN UP** for registration.

4. Now come to Log In page.

Sign in

firstuser@gmail.com

6. Functionalities on Dashboard page.

- Show record to 10, 20, 50, 100 entries.
- Sort record by ID, Username, Email, Mobile, Age, Registration date, Address, City and Postcode.
- Search any record in search field.
- Use 1,2, Next and Previous page for navigation.

7. Update data of a user.

To update user data click on user id to update that particular user's data.

The image shows a web form titled "Update User Data" centered on a light gray background. The form itself is a white rounded rectangle. It contains seven input fields, each with a light gray background and a thin border, stacked vertically. The fields contain the following text: "Second", "seconduser@gmail.com", "07405089256", "33", "25 Rope Terrace", "Manchester", and "R4-Y45". Below these fields is a red rounded rectangular button with the word "UPDATE" in white capital letters.
